Sukhal Patel

Ghardailo Dairy Co. / CEO

Phone: +977 9802903008

Email : sukhapatel@gmail.com

### PROFILE

I'm a frontend developer with a passion for building minimalist, clean, and responsive websites. I code with HTML5, CSS3, Tailwind CSS, and JavaScript (ES6), and I'm learning React.js, GSAP, and LocoMotive to add smooth interactions and animations. I like solving problems, figuring out new software, and improving with every project that I make.

### WORK EXPERIENCE

Ghardailo Dugdh Dairy Co.

MAY 2025 - PRESENT

Web Developer Intern | Graphic Designer

- Designed and developed visually appealing, responsive, and user-friendly websites that deliver a great user experience.
- Created creative and consistent graphic designs that strengthen the brand's visual identity across digital platforms.
- Applied technical and creative skills together to build digital solutions that meet both design and functional goals.
- Continue learning modern tools, frameworks, and design trends to enhance efficiency and stay current in the digital field.
